## President's Message

Spencer Empey - Chapter President

Hello Sacramento Valley!

Welcome to the 2025 & 2026 ASHRAE Year. Our chapter is excited to host another year of awesome events to help bring the HVAC&R community together in our area. These events include monthly educational meetings, golf, shotgun shooting, YEA social mixers, and many more in the works. We are also working hard to plan strong educational aspect to our monthly presentation meetings that provide value to our local membership.

We wouldn't have a local ASHRAE chapter if it wasn't for the support of our volunteers on board and chair positions along with all our sponsors throughout the year for our various events.

This year as president I am focusing on spreading out the meeting locations across town to allow a chance for members in different areas of town to join in on meetings closer to their offices or homes. I am also planning on alternating between lunch and dinner meetings for the same reason of trying to accommodate a variety of members in the Sacramento area.

Feel free to reach out if you have any questions regarding the upcoming year or would like to get involved with ASHRAE

Please reach out with any questions or areas where we can collaborate. I am open to ideas and feedback regarding how you want your local chapter to look and be structured. Please reach out with any items you want to discuss!

# Editorial

Our chapter continues to improve our partnerships with local organizations in an effort to offer our membership general meetings that are relevant and educational. Our November meeting was held at the Sacramento Sheet Metal Worker's Training Center and it was a success. A huge shout out to Alex Tiechner, Chris Ruch, and all the staff for letting us use their facility and for giving us a great tour of their shops.

We'd like to take a moment to recognize and give a warm welcome to our newest members:

- Kathleen Dufort
- Kevin Sherwood
- Mitch Pryor

Additionally, we want to recognize over 30 new student members from the Sheet Metal Training Center. Welcome!

Felipe Victoria  
President Elect

## INDOOR ENVIRONMENTAL QUALITY

### Did you know?

Since 2013 ASHRAE has been part of a Global Alliance (IEQ-GA) to provide information, guidance and knowledge on Indoor Environmental Quality?

*“The mission of the alliance IEQ-GA is to provide an acceptable indoor environmental quality (thermal environment-indoor air quality-lighting-acoustic) to occupants in buildings and places of work around the world and to make sure the knowledge from research on IEQ gets implemented in practice.”*

## ASHRAE HISTORY

### Did you know?

- ASHRAE published its first major energy-efficiency standard in the 1970s in response to the energy crisis.

*Standard 90-75*, released in 1975, became one of the earliest national benchmarks for building energy performance and helped shape modern energy codes.

# GOVERNMENT AFFAIRS

Fellow Sacramento Valley ASHRAE members. My name is Scott Wayland, and I am grateful to serve our chapter as the GAC Chair. I hope to inform you and engage you. I totally encourage you to get involved with ASHRAE if you have not ever served or participated in the past. GAC is one of our Grassroots committees which was formulated back in 2012, spun from CTTC and TEGA.

GAC is here to help ASHRAE be the leader we are in the built environment and as a resource for policy makers when legislation pertains to HVAC. So we aren't lobbyists but we do help advocate. So at the Chapter and Region grassroots levels, our committee helps promote ASHRAE and what our members care about. I encourage you to join our committee.

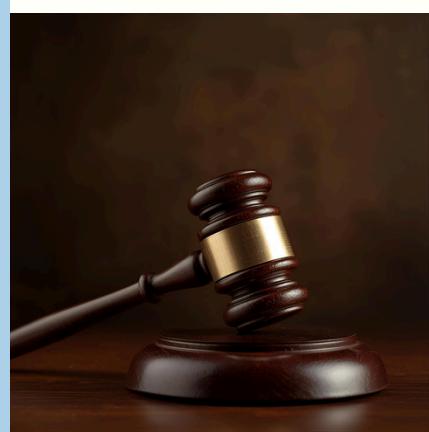

As you may know, in 3 of the last 6 years, we have conducted a Government Outreach Day at the State Capitol. Stay tuned for more on this year's event, which other members from the California Chapters in Region X will attend. I encourage you to join us, most likely on a day in March-April (TBD).

If you are not already a subscriber, please check out the Government Affairs Update newsletter. You can find a link to signing up at the GAC website here:

<https://www.ashrae.org/about/government-affairs>

On that page, you will find info on Member Resources, links to Society Position Papers, and more

## LOCAL CAREER OPPORTUNITIES

Feel free to reach out to us today if you would like to include job opportunities in our newsletter.

## ASHRAE JOB BOARD

If you are seeking a job in the engineering field or searching for the most qualified engineers, the ASHRAE job board offers the most qualified opportunities and candidates. Engineers can set up a personal account for job searches, manage resumes and create alerts for new job postings. Employers can set up a corporate account to post new jobs, review resumes and manage recruiting.

# Honors and Awards:

Dear Sacramento Valley Chapter Members,

We are proud to recognize and celebrate the outstanding achievements of our members! Your dedication and contributions to the industry deserve to be acknowledged, and we would be delighted to promote your successes within our chapter and beyond.

ASHRAE offers a wide range of honors and awards that highlight excellence in engineering, leadership, research, and service.

In this section, we will:

- Share information about current award opportunities
- Highlight recent award recipients
- Invite nominations for deserving individuals

If you or someone you know is making a significant impact in our field, let us know—we're always looking for potential nominees. Together, let's shine a spotlight on the talent and dedication within our community!

## **Developing Leader Award**

This award recognizes new members who have shown diverse involvement and commitment to ASHRAE within five years of becoming an Associate Member.

- Recognition is in the form of a plaque and lapel pin
- No limit on the number of recipients per year
- Recommended by the YEA Committee
- Please visit the [YEA website](#) for details and nomination instructions

Please send all completed nominations and photos to the YEA Committee Staff liaison at [YoungEngineers@ashrae.org](mailto:YoungEngineers@ashrae.org).
